

Google Maps

To reach the nursery, GPS to 626 California, Irvine, Proceed on California, turn left on the first street past Anteater Drive, go past the green house and veer right up the gravel path to the nursery. Proceed into the nursery and park at the far end of the lot. Also, you may go to our Shadetreepartnership.org and scroll to **Google Map/Directions** where you can link the directions to your phone, get driving directions, etc.
